Changes

—7/16/10—ice time is later due to Centerville HS PE class 9-10:30.

We are going to an account system. Each skater may pay a walk on fee per session or put money into an account where the skater can use sessions. Here is how it works. Instead of buying paper coupons we are putting money into your account like they do at a country club. When you check in daily, let the ladies know how much time you will be skating. They will take that amount off of your account and print you a receipt with your remaining account balance. The beauty is there is no expiration date except for year end.

We will still have a 45 minute minimum but we are not having set sessions. You may skate any 45 minutes or more you wish. Please start on the 1/4 hour to make it easier on the office to keep track. There will be an ice make at 10:35 daily and then we will have the ice from 8:45am to 11:30 daily

Reminders:

1. Check in and pay **before** taking the ice
2. Minimum purchase per day of ice time is one 45 min for skaters Basic 4 and above. Sam's thru Basic 3 minimum 30 minutes minimum—(exception age 4 and under 15 minute minimum).
3. Hockey players are only allowed on ice while in a lesson and **are encouraged not to wear equipment as this is a figure skating session.** Thanks!
4. Wear the bright sash during programs and be nice to others =)
